BOOK SALE

The annual Book Sale moved to the Scarborough High School this year! The new venue received many, many positive comments. During the course of the three and one-half day event we were able to get all of the flats up off the floor and onto the tables which made for much easier shopping for our patrons. Our net intake was approximately \$9500. due to reduced expenses of no table or tent rentals. This move would not have been possible without the support and wonderful cooperation of the School Department, especially Todd Jepson, Maintenance Director and David Creech, High School Principal and the Public Works Department, especially Mike Shaw, Director and all of the men who transported the books over to the High School. Once again the unsold items were donated to non-profit organizations and Goodwill, who cordially picked them up for us. Thank you to all our wonderful volunteers and patrons.

Respectfully submitted,
 Sue Helms, President
