

Friends Indoor Mini Golf ... at the library!

Sponsor this unique event to show the community your fun side!

Sunday, November 3, 2024 from 10am – 2pm

All of Scarborough will be welcome to come in from the cold as we turn the library into a 9-hole course.

This event will raise funds for the Friends of Scarborough Public Library, a 501 (c)(3) which pays for the summer reading program, and many other services our library offers free of charge.
